IRIS PRICE LIST 1948

Dare's Gardens

15379 CHATHAM
DETROIT 23, MICHIGAN

We want to thank our many customers who made purchases the past years.

Our special collections have been so popular we are again offering them this year. Collection No. 1—40 iris, each different, unlabeled, for \$3.50. Collection No. 2—100 iris, 10 or more different varieties, unlabeled, a fine mixture of colors, for \$5.00. These collections will expire August 15 at which time we start shipping same. You pay the express.

Because we are moving our show garden this year, we are making the following offers:

On orders up to \$10.00 select 25% more iris.

On orders from \$11.00 to \$25.00 select 33 1/3% more iris.

On orders of \$26.00 or more select 50% more iris.

This does not include collections Nos. 1 and 2 which have already been discounted. This offer also expires on August 15.

If a variety is sold out we will substitute with another variety of equal or higher value unless you list a few substitutes in your order.

Terms are cash with order. Make checks payable to Fred F. Dare or Dare's Gardens. Residents of Michigan include 3% sales tax on all orders. Minimum order \$2.00, please.
